During the course of the meeting the Public may be heard before a vote is cast by the Board. The President will acknowledge the Public once the motion has been made and discussed by the Board for their input. The President will recognize speakers who raise their hand. Once recognized, the speaker should move to the side of the board table so comments can be heard, identify themselves by name, and limit their comments to two minutes. Each speaker will have one opportunity to speak on any agenda item. Once the public comment period is over the public may not provide further comment or ask additional questions during remainder of the agenda item discussion, unless specifically requested by the chair or presiding officer of the meeting.
